On **Day 2** An early start will take us northwards, following the contour of the Mediterranean coast via Cesarea and arriving at Atlit, the point where the first immigrants from Europe landed in Israel after the Holocaust. From there we visit the Carmel region, where the ‘showdown’ between Elijah and the prophets of Baal took place. On **Day 3** Our third day will be spent around the Sea of Galilee, where we will visit various sites connected to Jesus’ life and ministry. Our hotel on Kibbutz Ginosar, where we will be staying, houses the ancient fishing boat which is sometimes known as the ‘Jesus Boat’ that was found in recent years on the bottom of the Sea of Galilee. This fishing boat is believed to be from the time of Yeshua and the story of its retrieval from the bottom of the lake is remarkable. In the early afternoon we will enjoy a boat ride on the Sea of Galilee, travelling across to En Gev - one of the earliest Kibbutzim in Israel – where we will enjoy a fish lunch. In the evening we will return ‘home’ to our starting point in Jerusalem “Beit Yehuda’ One more night in Jerusalem! Fly home the next day!
